Mr Jim Ford | College Principal

What Do You Remember From School?

Fair chance it was the occasions that evoked strong emotions. The school trips, concerts, teams, the embarrassing situations, the funny moments and the friends.

The last four weeks have had big academic import. This week the emphasis was on the catalyst for consolidating learning and recovery. The solemnity of our College Mass, the exuberance of the CMC Fitness Games, the nervous talent in our Cultural Showcase and the “choose your own adventure” (day with friends) on our day at Bucasia beach. We do things for a reason, and we help our young people thrive as a result.
